<input checked="" type="checkbox"/> Drawing Sheet: <u>S-002 Note 5</u>	Detail(s): _____
<p>Question: It was noted during the site visit that Pier 80 is currently occupied by tenants who will be using the Pier during construction. Please quantify the number of standby days and standby events per month that the contractor should account for in the bid. Additionally, please confirm that the North and East Berth fendering can be removed and that temporary fendering and mooring will not be required throughout the duration of the project.</p>	

CITY'S REPLY	
<input type="checkbox"/> Mark this box if the QBD can be answered by Bidder's review of the documents. Reply with location(s) where the information can be obtained.	
<p>Reply: Contractor to anticipate 4 days a month (2 days consecutively every 2 weeks) that they must vacate the operations area of the tenant. The Port will provide 30 consecutive days of uninterrupted construction time to allow for the demo of the existing foam fendering system and the installation of new fenders.</p>
