

**PORT CODE PROCEDURE**

---

**NO. PCP-002**

**DATE** : January 1, 2008  
**SUBJECT** : Area of Port Code Application  
**TITLE** : Port Building Code Area of Application

---

**PURPOSE** : The purpose of this Procedure is to graphically describe the separation of the jurisdictions of the Port of San Francisco (with the application of the Port of San Francisco Building Codes) and the City of San Francisco (that uses the Department of Building Inspection Codes.)

**REFERENCE** : The following maps that delineate the area of Port of San Francisco jurisdiction and code enforcement.

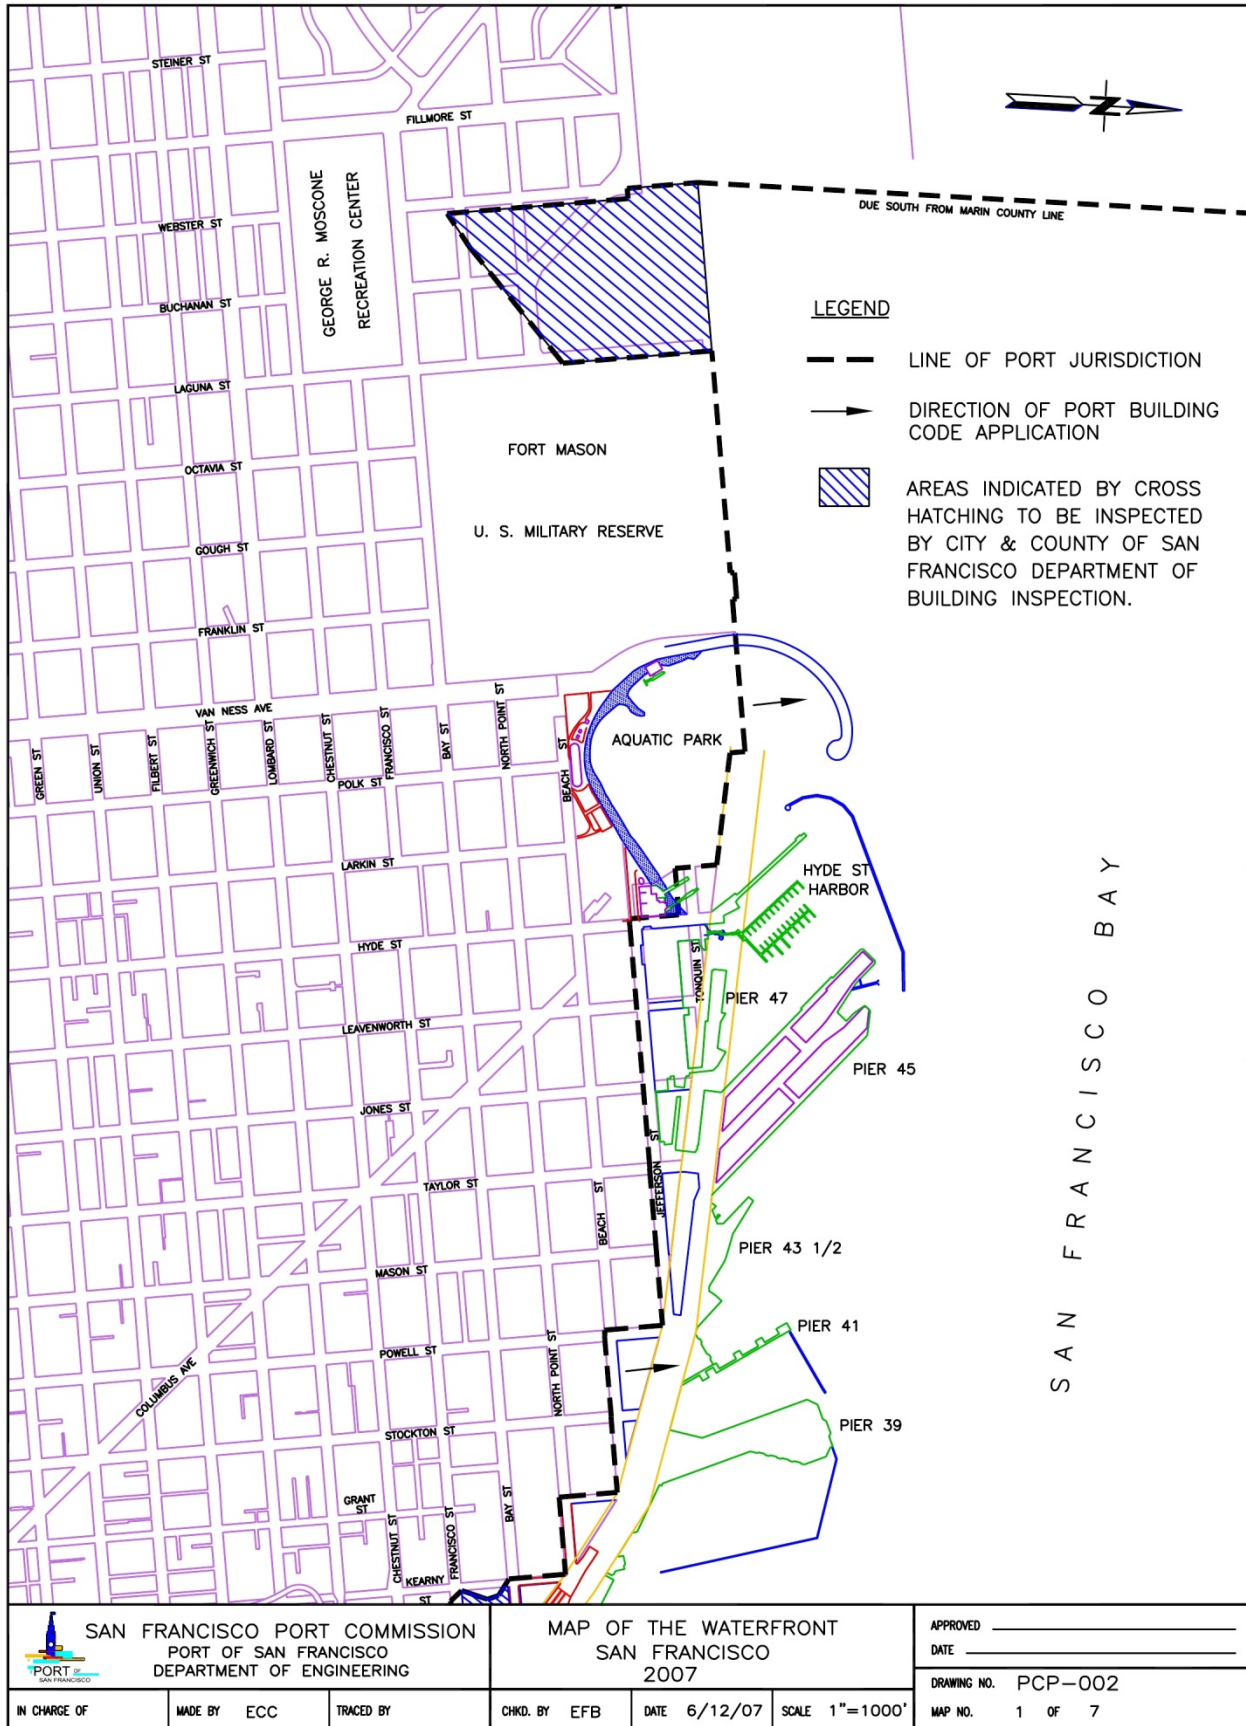

**DISCUSSION** : On the following maps, the Port of San Francisco's Engineering Division Building Permit Group (BPG) will provide all building plan check and inspection services for all areas within Port jurisdiction except for those otherwise specifically indicated on the following maps. The San Francisco Department of Building Inspection will provide plan checking and inspection services only for those areas not shown as belonging to Port Jurisdiction on the following maps.
