---

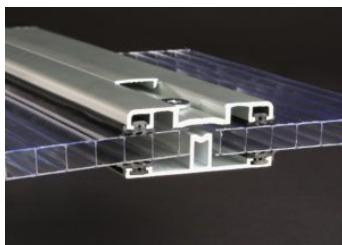

# YOKOSO EMBARCADERO

---

An architectural gathering space by Off the Grid  
built with temporary infrastructure  
that frames Bay Bridge views and facilitates community  
along the Embarcadero.

# Softscape / Florals Inspiration

# Furniture Inspiration

# Furniture Inspiration

Increased angle of back & made it taller to make a more 'cosy' booth feel

Changed wood to a dark stain and steel to an on-brand blue

Lowered the seat slightly as well to add to the enclosed feel

It's hard to see in this render, but there is a plastic shield on this side that I think is a great spot for a carved logo

# EXTERIOR SEATING

high boys

communal  
tall tables

fire pits

communal  
ADA tables

3-point benches

Stools
