CITY'S REPLY Image: Mark this box if the QBD can be answered by Bidder's review of the documents. Reply with location(s) where the information can be obtained. Reply: Please follow substitution process as shown in spec 00 21 13. Excerpt below. "Substitutions: The products specified in the Bid Documents establish a minimum standard of required type, function and quality that substitutions must meet to be considered acceptable to the City. To obtain acceptance of unspecified "or equal" products, systems, materials, or services, Bidders shall submit a completed QBD form accompanied by a Request for Substitution form (Section 00 49 18) and required supporting documentation." By: Noel A Bureau/Firm: Port Engineering Date: 8/12/24

The reply is an answer to a Bidder's question. The reply does not change the Bid Documents unless the information contained therein is issued in an Addendum. At the sole discretion of the City, the question and reply may be returned to the questioner and distributed to all bidding general contractors for informational purposes.
