SOUTH BEACH HARBOR PARKING RULES

-Vehicle parking is prohibited except in a marked space or drop off zone or in accordance with a parking permit issued by the Harbormaster under these Rules and Regulations.

-The Harbormaster may issue parking permits to Owners or other authorized persons using the Harbor to park in designated parking areas while they are at the Harbor under the following conditions:

(1) Upon application by a Licensee on a designated form. The harbor office will issue one (1) free parking permit per License in the name of the Licensee or a vessel co-owner or spouse or registered domestic partner listed on the Statement of Ownership for use with a vehicle registered in that person's name or one (1) free annual parking permit placard for use with multiple vehicles owned by persons eligible for a parking permit as specified above; provided each vehicle that uses the placard is registered on the placard. A second annual parking permit or placard may be issued to the persons specified above for a fee specified in the Port adopted Fee Schedule paid in advance.

(2) Parking permits must be renewed annually on a schedule and in the manner directed by the Harbormaster.

-Temporary or daily parking permits may be issued to Licensee's guest(s) for limited time periods, based on availability, determined by Harbormaster. The fees for temporary permits are specified in the Port-adopted Fee Schedule.

-Storage of any vehicle is allowed up to seventy-two (72) hours. After seventy-two (72) hours, Harbormaster approval is required.

-Parking permits are non-transferable and non-refundable.

-Vehicles parked in the designated parking areas without valid permits or otherwise in violation of these Rules and Regulations will be subject to towing, revocation of the parking permit and/or loss of future parking privileges.

-**Motorcycle & Scooter** Permits will be issued in the form of stickers to be affixed to the **front** of the bike.

-Parking placards for multiple vehicles must be placed on the front of the dashboard or rear-view mirror and must be clearly visible from outside of the vehicle. If annual placard is missing, temporary Daily parking passes can be procured at the harbor office.

- If deemed necessary by the Harbormaster, the Harbormaster may restrict or limit the use of parking areas on a temporary or permanent basis.

- A parking permit does not create a bailment of a vehicle. City, Port, and the Harbor are not responsible for the safe keeping of vehicles and shall not have any liability for theft or damage to any vehicle in the parking areas.

- No trailer, caravan or commercial vehicle may be parked at the Harbor.

(3) VENDORS ONLY: No vendor can work in harbor during any major events like Giants Games or Fleet Week events.
